

Dr. Kate Harkness
PhD
Professor, Departments of Psychology and Psychiatry
Queen's University, Kingston, ON

Email: [Dr. K. Harkness](mailto:Dr.K.Harkness)

Dr. Kate Harkness is a Professor in the Psychology and Psychiatry Departments at Queen's University. Dr. Harkness received her PhD from the University of Oregon, and completed her internship and post-doctoral fellowship at Western Psychiatric Institute and Clinic in Pittsburgh, Pennsylvania. Her work focuses on understanding the causes of early-onset depression, and she is currently heading a federally-funded study investigating gene-environment interactions in the first episode of depression in adolescents and young adults.
