

Dr. Jennifer Martins R4

Educational Background:

Honours B.Sc. in Psychology – Western University

M.Sc. in Neuroscience – Western University

M.D. – Medical University of the Americas

Hometown: Whitby, Ontario

Research/Academic Interests: I am interested in research in Developmental Disabilities and Child & Adolescent Psychiatry. I am currently involved in a RCT study involving medications prescribed for ADHD.

Hobbies/Personal Interests: Premium outlet mall shopping, poker nights, traveling, organizing, eating all-u-can eat sushi, watching chick-flicks, and going to weddings.

What would you like to tell prospective applicants to our program?

You will not be disappointed in your decision for choosing Psychiatry.

Which superpower would you most like to have?

Teleportation...no traffic!

Describe the color yellow to somebody who has never seen the colour.

I don't know...uh...it's a primary colour right?

What does your ideal day look like?

Sleeping in for starters. Then I would watch some daytime T.V. I would spend the rest of the day with my better half and have a nice dinner at *Tango Nuevo* (the best in Kingston)!

Which living person do you admire the most?

Oprah.

What's your motto?

"Hope for the best and plan for the worst".
