

# **Shadé Miller**

## **What is your educational background?**

Doctor of Medicine (MD) from Saba University School of Medicine, and Honors Bachelor of Science in Psychology (B.Sc) from Western University.

## **What is your hometown?**

I was born and raised in Kingston ... Jamaica. Our family immigrated to Canada (Brampton, Ontario) in 2000.

## **Research/Academic Interests?**

I have interests in a variety of different areas including: health care equity, spirituality and psychiatry, and early intervention in psychiatry.

## **Hobbies?**

I enjoy sharing a meal with good company, baking, and running. My favorite season is summer. I'm a big fan of being outside whether it is running/hiking or enjoying beverages on a nice patio.

## **What is your greatest accomplishment?**

Finishing my first marathon!

## **What would you like to tell prospective applicants to our program?**

This program facilitates an open and welcoming environment that focuses on providing residents the support they need to be successful in whatever area they chose.

## **If you could be any animal, what would you be and why?**

An Elephant because they are highly empathic and wise creatures who take care of each other and live peacefully in tight-knit family groups.

## **What is your favourite sound?**

Raindrops on a zinc rooftop.

## **Which superpower would you like?**

To be able to acquire knowledge via osmosis.
