

ACADEMIC CHILD AND ADOLESCENT PSYCHIATRISTS NEEDED.....

QUEEN'S UNIVERSITY KINGSTON, ONTARIO, CANADA

The Department of Psychiatry at Queen's University, is seeking an academic psychiatrist to join the Division of Child and Adolescent Psychiatry for a combination of inpatient and outpatient responsibilities. Applicants should have a commitment to providing exemplary clinical service within an interdisciplinary and collaborative environment.

A strong interest in education of trainees and medical students is expected as the successful candidate will participate in clinical supervision of medical students, Psychiatry and Pediatric residents, Child and Adolescent psychiatry residents and international fellows. A close fit with some of the clinical research in process in the division or an area of candidate's own research interest is also an asset.

Applicants should have an emerging focus on child and adolescent psychiatry or a senior academic track record and experience in child and adolescent psychiatry as well as a proven record of research focus. Applicants must demonstrate outstanding teaching contribution, as well as proven commitment to providing exemplary clinical service within an interdisciplinary, collaborative environment. Successful candidates must be eligible for licensure with the College of Physicians and Surgeons of Ontario and preference will be given to applicants who are eligible for or have specialty certification from the Royal College of Physicians & Surgeons of Canada or the American Board of Specialties.

Queen's is committed to employment equity and diversity in the workplace and welcomes applications from women, visible minorities, Aboriginal people, persons with disabilities, and persons of any sexual orientation or gender identity. All qualified candidates are encouraged to apply, however Canadian citizens and permanent residents will be given priority. The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant's accessibility needs. If you require accommodation during the interview process, please contact: Marianne McGuire, Executive Assistant, Department of Psychiatry, Queen's University. 613-548-5567 ext.5823.

Applications are to include a letter summarizing qualifications and experience, a full curriculum vitae as well as the names and full contact information of three references. To comply with Federal laws, the University is obliged to gather statistical information about how many applicants for each job vacancy are Canadian citizens / permanent residents of Canada. Applicants need not identify their country of origin or citizenship, however, all applications must include one of the following statements: "I am a Canadian citizen / permanent resident of Canada" OR "I am not a Canadian citizen / permanent resident of Canada." Applications that do not include this information will be deemed incomplete.
