AVAILABLE POSITIONS:

Posting Date: April 16, 2019

Job Title: Post-Doctoral Fellow

Department: Psychiatry, Division of Developmental Disabilities.

Description of Area or Topic of Research: The post requires a flexible and dynamic postgraduate with substantial computational skills, with previous experience in statistical genetics. The post-holder will collaborate closely with statistical, genomic and clinical colleagues on polygenic psychiatric research studies. They will take responsibility for data management, instigate collaboration on polygenic studies, and lead analyses. They will contribute to writing scientific papers.

Supervision and Academic Unit: The post-holder will be jointly supervised by Drs. Muhammad Ayub (Queen’s University), James Knowles (State University of New York).

Remuneration: $48,000

Start Date and Duration of Appointment: Immediately for one year but potentially can be extended.

Required Qualifications: PhD in genetics/bioinformatics/statistics

Required Documentation: CV with details of publications and references

Application Deadline: 26th April 2019.

Application Procedure: Email your application to ma84@queensu.ca

EMPLOYMENT EQUITY: The University invites applications from all qualified individuals. Queen's is committed to employment equity and diversity in the workplace and welcomes applications from women, visible minorities, Aboriginal peoples, persons with disabilities, and LGBTQ persons.
ACCOMMODATION IN THE WORKPLACE: The University has policies in place to support its employees with disabilities, including an Accommodation in the Workplace Policy and a policy on the provision of job accommodations that take into account an employee's accessibility needs due to disability. The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant's accessibility needs. If you require accommodation during the interview process, please contact Dr. Muhammad Ayub at ma84@queensu.ca/613-549-7944.
