Queen's Psychiatry Grand Rounds is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada

**Upcoming Rounds:** Oct. 26 Grand Rounds at PCH

**A light lunch will be provided prior to rounds**

## LEARNING OBJECTIVES

Dr. Marcelo Cetkovich: “Cycloid Psychoses. The missing link between Bipolar Disorder and Schizophrenia?”

### Objectives:

- 1) Understand how the history of psychosis studies helps to understand modern issues.
- 2) To acquire knowledge about a condition not properly listed in modern classificatory systems
- 3) To discuss how descriptive and differential psychopathology could mean a tool to disentangle the puzzle of genetic basis of psychosis.

*Department of Psychiatry Rounds  
are supported by education grants from the following companies:*

*Janssen, Inc.*
