Learning Objectives on reverse

Upcoming Rounds: *Friday, September 21, 2018*

No Rounds Sept 28 (CPA)

Fri. Oct. 5, 12, 19 at PCH

A light lunch provided prior to rounds

LEARNING OBJECTIVES

Dr. Elisa Brietzke: “The impact of childhood maltreatment in psychopathology: implications for research and clinical care”

Objectives:

1. Understand the influence of childhood maltreatment as both a risk factor and trajectory moderator in common mental disorders
2. Approach the psychobiological basis of childhood maltreatment
3. Discuss the therapeutic implications of these findings in clinical care.
