Queen’s Psychiatry Grand Rounds is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada

Learning Objectives on reverse

**Upcoming Rounds:**
- April 12  Faculty Development
- April 26  Grand Rounds

A light lunch will be provided prior to rounds
LEARNING OBJECTIVES

Dr. S. Haze: “More than clutter: Understanding and managing hoarding disorder”

Objectives:

1) To better understand hoarding as a behaviour and discrete disorder
2) To list some physical and mental health disorders that can involve hoarding behaviours
3) To be aware of some of the recent treatment evidence for hoarding

Department of Psychiatry Rounds are supported by education grants from the following companies:

Janssen, Inc.
Lundbeck
Otsuka
Sunovion
Pfizer
Purdue Pharma
Shire

Thank you for your continued support!
