Learning Objectives on reverse

Upcoming Rounds:  Friday, May 10, Faculty Development
Friday, May 24, Grand Rounds

A light lunch provided prior to rounds
LEARNING OBJECTIVES

Dr. M. Gojmerac: “The effect of pharmaceutical companies on knowledge in psychiatry”

Objectives:

1) learn past concrete examples of how pharmaceutical companies have altered medical knowledge.
2) evaluate how these influences can play out in psychiatry.
3) consider what a cogent response to this state of affairs is from the medical profession.

Department of Psychiatry Rounds are supported by education grants from the following companies:

Janssen, Inc.
Lundbeck
Otsuka
Sunovion
Pfizer
Purdue Pharma
Shire

Thank you for your continued support!
