---------------	---	---

Queen's Psychiatry Grand Rounds is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada

Upcoming Rounds: Oct. 18 at PCH

A light lunch will be provided prior to rounds

LEARNING OBJECTIVES

Dr. S. Farooq: “Remission, Resistance and Response to Treatment in Schizophrenia”

Learning objectives:

By the end of the session, participants will:

1. Be able to understand the concept of response to treatment and remission in schizophrenia
2. Develop an understanding of measuring remission in routine clinical practice.
3. Have knowledge of significant barriers to achieving and maintaining remission in schizophrenia
4. Become familiar with strategies for achieving remission and preventing treatment resistance in schizophrenia
