“Repetition Compulsion, Seeking New Rejecting Objects In Adulthood”

Queen’s Psychiatry Grand Rounds is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada

Upcoming Rounds: Sept. 13 CPA - NO ROUNDS
Sept. 20 & 27 at HDH

A light lunch will be provided prior to rounds
LEARNING OBJECTIVES

David Celani, Ph.D.: “Repetition Compulsion, Seeking New Rejecting Objects In Adulthood”

Learning objectives:

1. To introduce the attendees to the seminal work of W.R.D. Fairbairn on the role of dependency and the dissociation of early parental failures by the child to maintain an attachment to his objects.

2. To offer a unique model of the unconscious based on actual dissociated events.

3. To describe how internal structures evolve, interact with each other, and are projected into the external world.

Department of Psychiatry Rounds are supported by education grants from the following companies:

Janssen, Inc.
Lundbeck
Otsuka
Sunovion
Purdue Pharma
Shire

Thank you for your continued support!
