Neurosciences

**“Clinical Progression and
Neuroprogression
in Bipolar Disorder”**

Queen's Psychiatry Grand Rounds is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada

Upcoming Rounds: Jan. 2021 VIA ZOOM

LEARNING OBJECTIVES

Dr. Flávio Kapczinski: “Clinical Progression and Neuroprogression in bipolar disorder”

Participants will:

1. Identify how multiple episodes drive illness progression in bipolar disorder
2. Identify the difference between the concepts of clinical progression and neuroprogression
3. Identify illness trajectory as the hallmark of bipolar disorder

*Department of Psychiatry Rounds
are supported by education grants from the following companies:*

Janssen, Inc.

Lundbeck

Otsuka

Sunovion

Purdue Pharma

Shire
