"Let's talk about Stigma -
Evidence for effective
interventions to reduce
stigma in psychiatric
illness"

Queen's Psychiatry Grand Rounds is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada

Upcoming Rounds: March 6, 13, 27 at HDH Auditorium

A light lunch will be provided prior to rounds

LEARNING OBJECTIVES

Dr. Jen Wong: “Let’s talk about Stigma - Evidence for effective interventions to reduce stigma in psychiatric illness”

Learning objectives:

1. To explore the current state of evidence regarding anti-stigma programs in psychiatric disorders.
2. To discuss and evaluate whether anti-stigma programs have been beneficial.
