Queen's Psychiatry Grand Rounds is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada

**Upcoming Rounds: Jan. 14 & 21, 2022**

## **LEARNING OBJECTIVES**

Nimrit Bath: “ECT and Dementia: Who, What, and Why”

### **Objectives:**

1. Provide a brief overview of ECT
2. Review of literature summarizing the efficacy of ECT in major neurocognitive disorders.
3. Describe the indications, risks, and benefits of using ECT as a treatment strategy in individuals with major neurocognitive disorders using clinical cases.
