**“Seeing Through a
Different Lens:
Considering Autism”**

Queen's Psychiatry Grand Rounds is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada

Upcoming Rounds: October 8 and 29, 2021

LEARNING OBJECTIVES

T. Clifford & R. Quickert: “Seeing Through a Different Lens: Considering Autism”

Objectives:

- Developing understanding of the value of a diagnosis of Autism Spectrum Disorder
- Increasing awareness and knowledge of the presentation of ASD in the context of other (comorbid) mental health conditions.
- Accessing resources for how to apply this knowledge moving forward in assessment and treatment

*Department of Psychiatry Rounds
are supported by education grants from the following companies:*
