Department of Psychiatry

Queen's University

**“Effective Engagement and Change
for Complex Care Youth and their
Families – using an Integrated
Approach.”**

Queen's Psychiatry Grand Rounds is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada

Upcoming Rounds: May 6, 13, and 27, 2022

LEARNING OBJECTIVES

S. Khalid-Khan, J. Davidson & P. Marchand: **“Effective Engagement and Change for Complex Care Youth and their Families – using an Integrated Approach”**

Objectives:

1. Discuss complex care management for youth including wrap-around care based in the community
2. Describe a collaboration leading to development of a classroom day treatment program for youth
3. Identify multi-disciplinary treatment approaches embedded in this treatment program
4. Consider the role of data gathering from various sources for program evaluation

*Department of Psychiatry Rounds
