GRAND ROUNDS

Friday, February 25, 2022

VIA ZOOM (link to follow)

12:00–1:00 pm

Matt Gazzellone, MD

Psychiatry Resident

Queen's University

Supervisor: N. Khan

**"The Role of Genetic
Factors in the Development
of Obsessive Compulsive
Disorder"**

Queen's Psychiatry Grand Rounds is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada

Upcoming Rounds: March 25, 2022

LEARNING OBJECTIVES

Matt Gazzellone: "The role of genetic factors in the development of Obsessive Compulsive Disorder"

Objectives:

1. Review epidemiological facts about OCD
2. Better understand what role genetic factors play in the development of OCD
3. Discuss the clinical and therapeutic implications of genetic findings
