

Queen's University
Department of Psychiatry
GRAND ROUNDS

Friday, September 16, 2022

[VIA ZOOM \(link to follow\)](#)

12:00–1:00 pm

Ahila Vithiananthan, MD
Psychiatry Resident
Department of Psychiatry
Queen's University
Supervisor: E. Chu

**Gender and Generational
Differences Affecting
Physician Burnout & the
Impact of COVID 19**

Queen's Psychiatry Grand Rounds is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada

Special Presentation: Sept. 23, 2022

Upcoming Rounds: Sept. 30, 2022

LEARNING OBJECTIVES

A.Vithiananthan: **Gender and Generational Differences Affecting Physician Burnout & the Impact of COVID 19**

Learning Objectives

1. Participants will be able to gain a further understanding regarding gender differences in the determinants and experience of burnout.
2. Participants will be able to reflect on burnout experience in relation to specialty choice and which specialties are at a higher risk of burnout and why.
3. Participants will be able to gain a further understanding of generational differences of physician burnout and how COVID 19 has influenced physician burnout.
