

Department of Psychiatry Exemplary Service to the Department Award

This award is presented annually to a faculty member in the Department of Psychiatry who has demonstrated exceptional service to the Department. This service is characterized by commitment to our academic mission, educational programs and our clinical service delivery. The recipient demonstrates their contribution in a manner that is of the highest standard in all domains of the service to the Department. The recipient is a highly regarded and respected member of the department who is known to conduct him or herself in a professional manner. This individual serves as a role model for colleagues, residents and students.

All Department of Psychiatry faculty members are eligible to be considered for this award. Division Chairs, Program Directors or department members may make nominations. Nominations must be made using the appropriate nomination form (below), by March 1, 2022.

The selection of the award recipient will be made a Department of Psychiatry Committee, which is chaired by the Chair of the Department of Psychiatry.

The award consists of an inscription on the Exemplary Service to the Department Award Plaque.
