

ACADEMIC ADULT INPATIENT PSYCHIATRISTS

Department of Psychiatry, Queen's University, Kingston, Ontario, Canada

The Division of Adult Inpatient Psychiatry within the [Department of Psychiatry](#) at Queen's University invites applications for one (1) Full-Time Adult Inpatient Psychiatry position within our 41-bed Acute Inpatient Unit.

Our large academic center boasts a talented team of psychiatrists dedicated to excellent patient care. We offer competitive remuneration, 6 weeks of vacation, 2 weeks for CME activities, comprehensive administrative support, a re-location bonus, and low overheads. On-call duties are required once per month (1 weekend day every 3 months).

We have a high retention rate of former residents and international graduates, who bring unique perspectives to our team.

[Queen's University](#) is nationally recognized for the quality of its undergraduate and graduate programs, attracting outstanding students. Located in the heart of the Thousand Islands region, Queen's is an integral part of the vibrant Kingston community, offering unmatched community spirit and amenities.

Kingston is one of Canada's most beautiful and historic cities, known for its affordable cost of living and convenience, with everything being just 15 minutes away. The city has the highest number of restaurants per capita in the country and numerous opportunities to live right on the water. Kingston is situated only two and a half hours from Toronto and Montreal, two hours from Ottawa, and just a 20-minute drive to the American border.

Kingston is an eligible city for international medical graduates from Canadian residency programs in Ontario to complete their return of service in a dynamic and close-knit community.

The successful candidate should preferably have a senior academic track record and experience in clinical psychiatry as well as a proven record of research focus. Applicants must demonstrate outstanding teaching contribution, as well as proven commitment to providing exemplary clinical service within an interdisciplinary, collaborative environment.

Qualified applicants will hold an MD degree (or equivalent). Candidates must be eligible for licensure with the College of Physicians and Surgeons of Ontario. Preference will be given to those who either hold or are eligible for certification in Psychiatry by the Royal College of Physicians & Surgeons of Canada or the American Board of Psychiatry and Neurology.

Members of the Department of Psychiatry enjoy a competitive compensation package, including a generous benefits plan. Academic rank will be commensurate with experience.

Faculty and their dependents are eligible for an extensive benefits package including prescription drug coverage, vision care, dental care, long term disability insurance, life insurance and access

to the Employee and Family Assistance Program. Employees also participate in a pension plan. Tuition assistance is available for qualifying employees, their spouses and dependent children. Queen's values families and is pleased to provide a 'top up' to government parental leave benefits for eligible employees on maternity/parental leave. In addition, Queen's provides partial reimbursement for eligible daycare expenses for employees with dependent children in daycare. For more information on employee benefits, see [Queen's Human Resources](#).

Prior to May 1, 2022, the University required all students, faculty, staff, and visitors (including contractors) to declare their COVID-19 vaccination status and provide proof that they were fully vaccinated or had an approved accommodation to engage in in-person University activities. These requirements were suspended May 1, 2022. However, they remain in effect for students, staff, and faculty in workplaces, including hospitals, where patient care is provided and/or where the work duties or educational requirements of the position involve or support patient care.

The University invites applications from all qualified individuals. Queen's is strongly committed to employment equity, diversity, and inclusion in the workplace and encourages applications from Black, racialized/visible minority and Indigenous people, women, persons with disabilities, and 2SLGBTQA+ persons. All qualified candidates are encouraged to apply; however, in accordance with Canadian immigration requirements, Canadian citizens and permanent residents of Canada will be given priority, including any qualified individuals who have a legal work status in Canada. Please indicate in your application if you have a valid legal work status in Canada. Applications from all qualified candidates will be considered in the applicant pool.

Those interested in this position should submit a complete application package, including the following documents:

- a cover letter, summarizing expertise, qualifications, and accomplishments relevant to the position. The cover letter should also indicate whether or not you will require a work permit and/or require support with an extension of your work permit in the future.
- a Curriculum Vitae; and,
- the names and full contact information of three referees.

Complete applications are to be directed to:

Dr. Zainab Samaan

Professor and Head, Department of Psychiatry

Providence Care Hospital, 752 King Street West, Kingston, ON, Canada, K7L 4X3

Email: z.samaan@queensu.ca

Review of applications will commence immediately and will continue until the position is filled.

The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant's accessibility needs. If you require accommodation during the interview process, please contact **Krista Robertson, Administrative Assistant, Department of Psychiatry, Queen's University**; (613) 544-4900 ext. 53335.
