

DIVISION OF CHILD & ADOLESCENT PSYCHIATRY
Residency Program in Child & Adolescent Psychiatry

June 23, 2021

CALL FOR APPLICATIONS

CHILD & ADOLESCENT PSYCHIATRY RESIDENCY PROGRAM

On behalf of the Division of Child & Adolescent Psychiatry, I would like to invite you to apply for the residency training in Child & Adolescent Psychiatry. The number of positions available varies between 1-2 that will begin July 2022, and the last day for application is Wednesday, September 1, 2021. Attached is a Call for Applications sheet that will outline the process in more detail.

The Residency Program offers rich training in both inpatient and outpatient clinics (Mood and Anxiety Disorders, Neurodevelopmental Disorders, Eating Disorders and Urgent Consult Clinic). In addition, we have strong collaborations with our community partners (community mental health agencies in Brockville, Belleville, Smiths Falls, and Kingston), local school boards and Family Health Teams.

For any questions about the Residency Program, please feel free to call or email me.

Please address your letter of interest to:
