

Have You Recently Visited the Emergency Department for Self-Harm?

You might be eligible to participate in a new study using smartphone technology for the treatment of self-harm!

To participate, you must:

- ✓ Be male;
- ✓ 18+ years old;
- ✓ Be able to read and understand English;
- ✓ Have presented to the Emergency Department with self-harm.

Ask your doctor for more information or to see if you are eligible to participate in this new study!
